

# Hand-y Craft: Activity Dice

## Materials Needed:

- Cardstock
- Crayons or Colored Pencils
- Scissors
- Tape or Glue

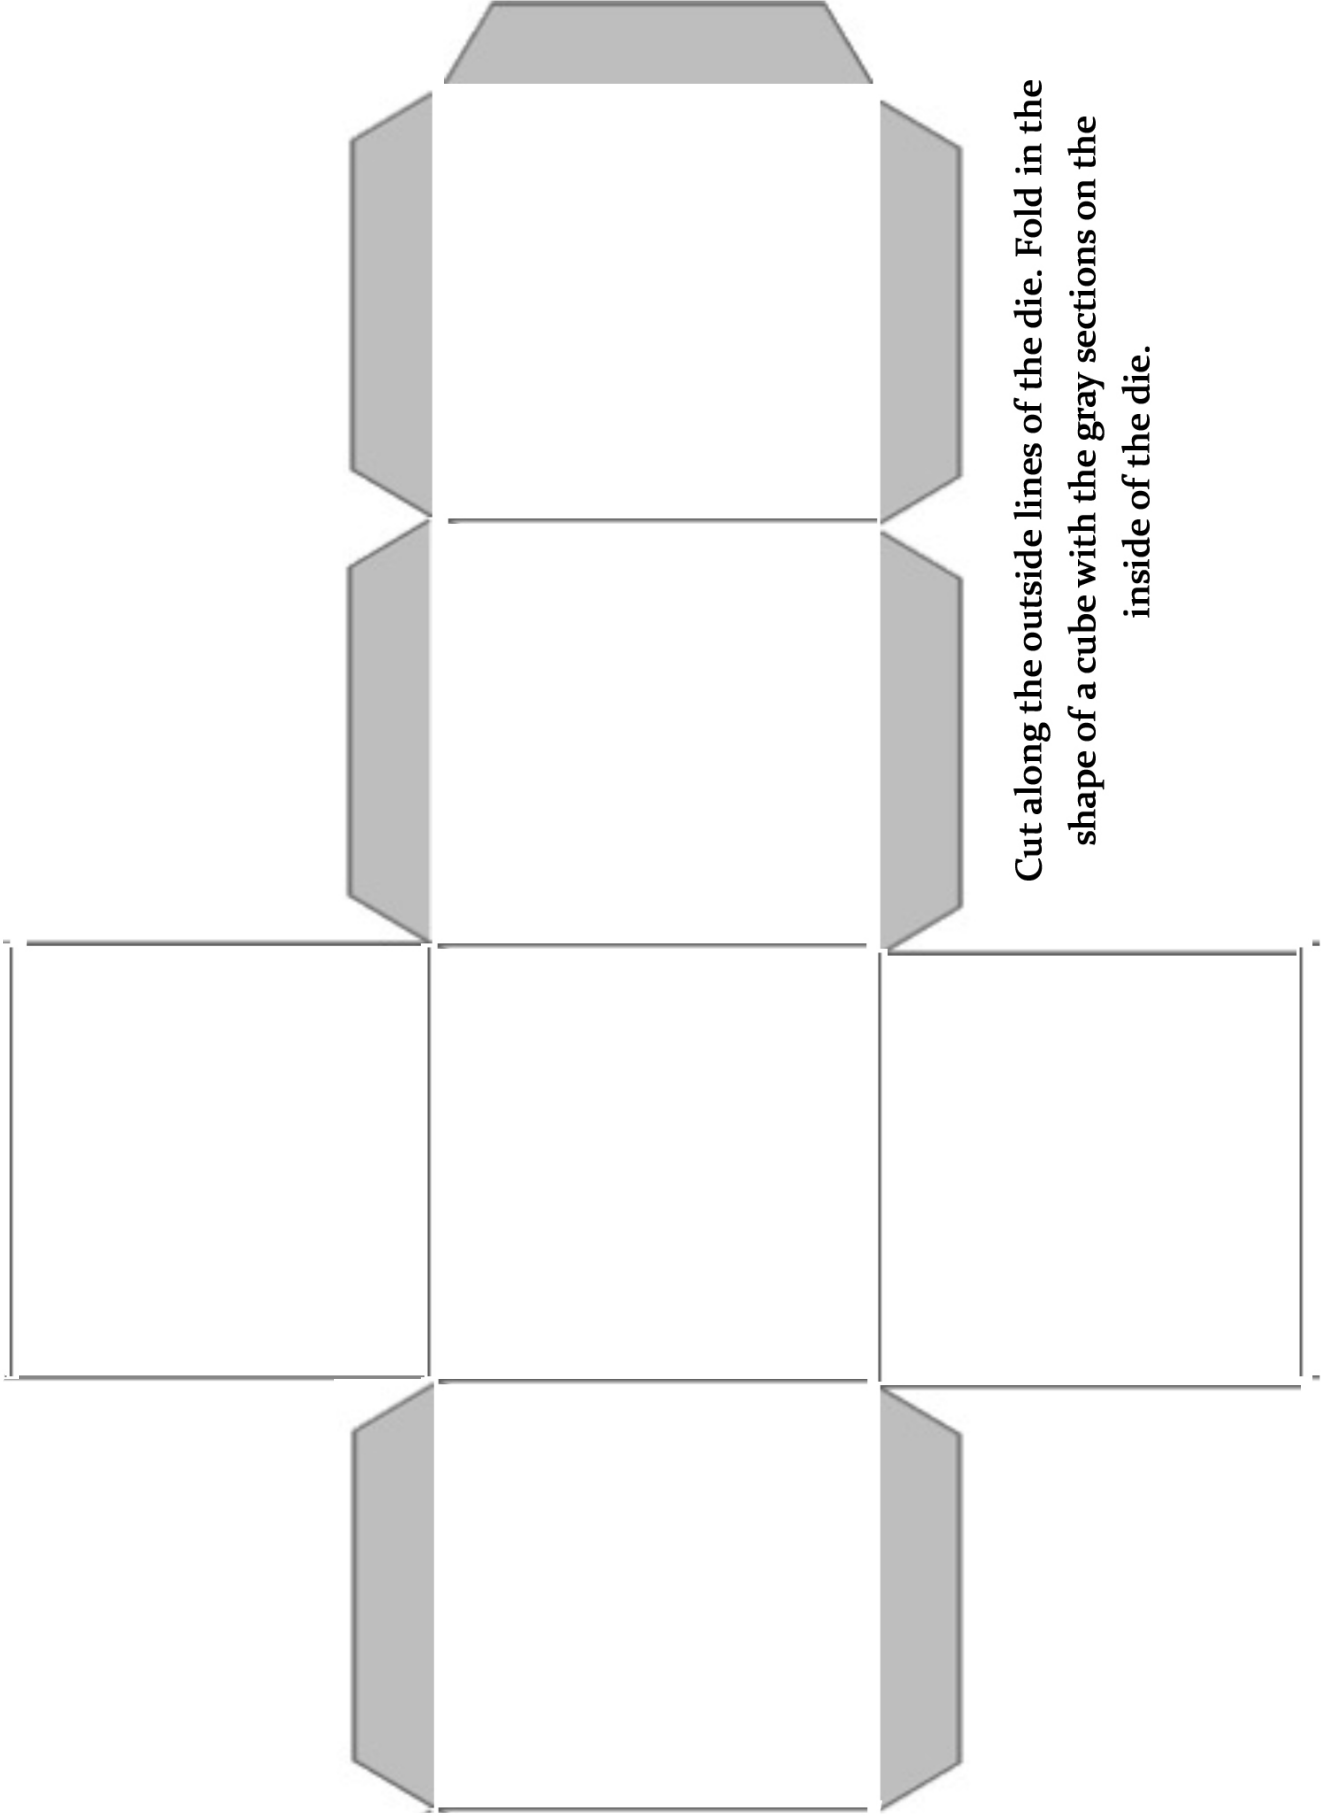

## It's time to create your Activity Dice

- Step 1:** Print die template below on cardstock.
- Step 2:** Draw or write an action on each square. (Run, Dance, Jump, Spin, etc.)
- Step 3:** Cut along the outside lines of the die.
- Step 4:** Fold in the shape of a cube with the gray sections on the inside of the die.
- Step 5:** Tape or glue the tabs.

## It's time to play

Turn on your favorite music and roll a single die to see what action to do. For even more fun, roll both dice and do both actions at once! Take turns rolling as the music plays.

**Cut along the outside lines of the die. Fold in the shape of a cube with the gray sections on the inside of the die.**
